Group classes are limited to a maximum of ten dogs. **Green** means go, these classes are for all dogs, no previous training needed. **Yellow** are classes that require the attendance of a Puppy Kindergarten or Basic obedience. We do accept classes from other schools or programs. **Red** classes require both **Green** and **Yellow** before attending. Again, we accept classes from other schools/instructors. Instructor permission can be substituted for a group class requirement. **Pink** classes require instructor permission prior to enrolling, no exceptions.
